Howdy Friends,

Planning is currently underway for the 5th Annual Orange County Special Angels Rodeo, to be held Saturday, November 10, 2018 at T2 Arena and Event Center. As this is a milestone anniversary year for us, we hope to make this year's event bigger and better than ever. To do that, we need the help of our friends like you.

If, by chance, you've never heard of Special Angels Rodeo, this is the premiere adaptive rodeo event in Southeast Texas and Southwest Louisiana. One of the fastest growing events in this area, Special Angels Rodeo is specially planned to provide special needs participants to have a hands-on rodeo experience that is not widely available throughout this area. While our primary geographic area of focus includes most of Southeast Texas and Southwest Louisiana, we welcome participants from anywhere to come out for a great day of fun and excitement.

Special Angels Rodeo is open to participants of all ages and will serve people with Intellectual and Developmental Disabilities including Autism, Downs Syndrome, and others. It is also open to participants who are visually impaired or are in wheelchairs or otherwise affected by to multiple sclerosis, muscular dystrophy, spina bifida, traumatic injury, or other ailment. Each event can be adapted to the needs of each of our participants, whether it be hands on assistance from one of our many volunteers, a sled pulled behind an ATV to move them and their wheelchair through the arena dirt, or any other necessary modification. This event is truly like no other in this area and will touch the lives of countless Special Angels.

The best part about the Special Angels rodeo is everyone's a winner and it is absolutely free for our participants to take part in this event. We also have carnival style games, wagon rides, and other activities available for our participants and guests. Each Special Angel leaves with a T-shirt, gold medal, and other gifts to commemorate their participation in this event.

In recent years, our event has served some 300 special needs individuals, and we hope to see it grow even larger. Of course, pulling off an event of this magnitude comes at a huge cost. That is why we are reaching out to our friends, neighbors, and local business owners for help. Your tax-deductible donation could play a huge part in touching countless lives through a day planned and designed just for them. Attached is the list of sponsorship levels available, and the benefits to the donor with each. We are also accepting in kind donations including, but not limited to food, equipment, or any other item that may benefit the event and participants. We certainly hope that you will consider helping us touch the hearts and lives of Special Angels throughout the region. The opportunity to put smiles on the faces of our Special Angels is a great investment.

For more information, you can call Jo at 409-670-6358, Lue at 409-670-2206, Kevin at 409-651-9948, or Patty at 409-651-7346. You can also speak with any of our team members or email sponsors@specialangelsrodeo.org.

If employees or members of your business or organization would also be interested in participating as volunteers, we also have a great need for those. Please let us know and we can have our volunteer coordinator contact you about volunteer opportunities for the rodeo and throughout the year.

Sincerely,

Orange County Special Angels Rodeo
